

SECTION II: REMARKS

The enclosed amended claim set is identical to the set filed on July 30, 2009, except that the status identified for claim 3 has been corrected to "original."

The only basis for objection in the Notice (at page 2 thereof) was that "claim 3 has no markings, but the status identifier is "Currently amended." Page 1 of the Notice of Non-Compliant Amendment states that "[i]f any of above boxes 1 to 4 are checked, the correction required is only the corrected section of the non-compliant amendment in compliance with 37 CFR 1.121." It is noted that box 4(e) was checked in the Notice. Accordingly, the enclosed submission of only corrected claims is fully responsive to the Notice of Non-Compliant Amendment.

Consideration of the enclosed claims together with the remarks contained in Applicant's Amendment filed on July 30, 2009 is respectfully requested.

In the event there are any errors with respect to the fees for this response or any other papers related to this response, the Director is hereby given permission to charge any shortages and credit any overcharges of any fees required for this submission to Deposit Account No. 14-1270.

Respectfully submitted,
